

DUST REMOVAL VILEDON FILTER CARTRIDGES

TAILORED FILTRATION,
OPTIMUM CUSTOMIZATION

BENEFITS

High quality for **optimum
workforce safety**

Long service life for **lower
maintenance costs**

Suitable for most common
installation systems –
no conversion necessary

Customized dimensions
and mounting options
for **simple installation**

THE PERFECT SOLUTION FOR ANY DUST REMOVAL APPLICATION

LP ECO SERIES

IMPRESSIVE PRICE, IMPRESSIVE PERFORMANCE

- Thermally bonded, 100 % flatTexx polyester filter medium
- Moisture-resistant

LP PRO SERIES

LP COMPLETE SERIES

MAXIMUM EFFICIENCY TO COMBAT SMOKE AND FINE DUST

- sinTexx Plus filter medium with nanofiber coating
- Combines maximum performance with reduced material consumption for improved footprint

→ All available as ATEX version

PROVEN QUALITY FOR DEMANDING ENVIRONMENTS

- Proven Freudenberg sinus medium
- Corrugation maximizes available filter area ► improved filtration performance

LP ECO SERIES

The perfect filtration solution for moderately loaded filter systems for mechanical processes.

LP PRO SERIES

The perfect solution for moderately to heavily loaded filter systems for mechanical processes or hybrid applications.

LP COMPLETE SERIES

Guaranteed safety for heavily loaded filter systems.
